

About Us!

Last Updated Friday, 17 July 2020

We have well-kept, spacious, grassy sites with most having greenery providing privacy from your neighbours. Our campground is situated well back from the highway, alleviating the traffic noise.

Some sites are in the

open, allowing you to set up your satellite dish and Wifi(Wireless Internet) is available as well. After a long drive enjoy the ease of slipping into one of our level, pull-thru sites. We have full-hook-up sites which have water, sewer, and electricity with 15, 30 or 50 amps. Also available are electric-only sites and basic tent sites, as well as our Camping Cabins . We have clean showers and flush toilets as well as a laundromat.

While you are catching up on the laundry, the kids can amuse themselves at our playground which has a few new additions.

After you are settled in, relax in our large, clean, heated pool and hot tub, or browse in our giftshop/tourist information office. We have a very large selection of Thunder Bay and Kakabeka Falls souvenirs, Amethyst jewellery and gift items, t-shirts, sweat shirts, moccasins, limited groceries and other items too numerous to mention.
