

River Rat Rentals

Last Updated Wednesday, 23 May 2007

If the weather is nice nothing is more fun than a relaxing tube run down the Kaministiquia River. River Rat Rentals will provide the tube and transportation up river to the starting point, all you need is a bathing suit, sun screen, and some refreshments (they can provide an extra tube for refreshments if you need).

Along the way you can take a break to picnic or enjoy some games like volleyball, or you can continue down river. If the 2-3 hour run is too short, feel free to hop back on the bus and go again! Just be careful, you might spend all day out on the river and miss out on the other attractions Thunder Bay has to offer.

River Rat Rentals is located approx. 13 miles(21 km) West of Thunder Bay, and only 3 miles(5 km) from Happy Land Campground. Below is a map to help you locate them.

If you would like to contact River Rat Rentals, please call (807) 473-9117
